Teach, Reflect and Live the Gospel.

September 27, 2011

Dear St. Andrew Families,

Beginning last year St. Andrew Parish brought a group of people together to be a part of a visioning/dreaming discussion team. The purpose of this team is to explore ways to create a more welcoming atmosphere to our parish community. Happily I was asked to be a part of this team and I am equally happy at the results that have come from just a few meetings. The Parish has adopted a new theme, "You Belong Here" and our focus as a parish and as a school is to bring that message home to all members of our parish and school community. I want to take this time to tell you about a wonderful community building event happening at masses this coming weekend. All of the children here at the school and involved in our English, Hispanic, and Deaf religious education programs will have their names displayed on leaves that will be on two plastic trees near the altar in church. Members of the congregation will be asked this weekend to take one of the leaves off of the trees and the child named on the leaf will become their focus of prayer and special thoughts throughout the school year ahead. The school children's leaves list their name and grade as well as the address of the school in case the person holding the leaf would like to send them a note or special thought at some time during the year. This is a wonderful way that our parish community is helping to support our children as they continue their ever-important faith journey with the Lord. I also encourage you, the families of St. Andrew Parish School, to take a leaf as well and to pray for and hold close in your thoughts the child listed on the leaf you choose. Praying for and supporting one another is most definitely a wonderful way to share the message that "You Belong Here".

I hope that you all have a wonderful week ahead and let's hope that some warm, sunny weather will be back with us soon.

Our national, award winning, 5 level program is specially designed for children and focuses on safety and having fun while instilling self confidence and life values through professional golf instruction. Students learn the fundamentals, etiquette and rules of the game with a low 10:1 student to instructor ratio. Plus we provide all the equipment so everyone has the chance to come out and tee it up with TGA!

Dishing with the Disciples presents "**Ask a Priest**"

"Dishing with the Disciples" will be meeting in Delavan on Thursday, October 20th, at 6:30 in St. Andrew's cafeteria. This is a monthly opportunity for Adult Christian Formation AND an avenue to take advantage of being together as a FUN faith community. Please consider joining us. Our topic for October "Dishing" series will be "**Ask a Priest**". Father Jim Schuerman, pastor of St. Andrew's and St. Pat's will facilitate the discussion. He will answer questions you might have about our faith or the Catholic Church. We ask that if you feel in the mood to bring a snack or dessert to feed 4 people, but it is not a requirement.

We are hoping you will find this to be a way to satisfy your hunger for more faith formation, fun and food as the family of God. Last month 15 adults experienced "Dishing" and left with fuller knowledge about the Mass and fuller stomachs. A win-win deal! On Oct. 20th come with your burning questions, leave with all the answers. Take the plunge and experience "Dishing with the Disciples" this month.
