**Teach, Reflect and Live the Gospel.**

**January 23, 2012**

**Dear St. Andrew Families,**

Our annual observance of Catholic Schools Week officially begins with this Saturday's 5:00 Children's Mass. We all look forward to this week and the fun and exciting activities it brings with it. It is also a special time set aside for us all to celebrate and reflect on the lasting value of Catholic education and what it provides for our young people as well as its contributions to our church, our communities, and our nation. This week is a chance to build community awareness of and involvement in Catholic schools throughout the country. We also honor those who contribute to the success of our school-students, families, faculty and staff, volunteers, and community supporters.

This year's Catholic Schools Week theme is "Catholic Schools: Faith. Academics. Service." The theme for this year expresses three priorities that make Catholic schools stand out from other educational institutions. Children learn about faith-not just basic Christianity, but in how to have a relationship with God. The children concentrate on academics, which in Catholic schools are held to the highest standards so that the highest potentials can be reached. The children and all members of the school community learn the value of service. Of giving of time, talent, and effort to help others as an expression of both faith and good citizenship. This combined focus on faith, academics, and service prepares students for full and meaningful lives. Now, more than ever a Catholic education is truly an investment in the future and we are so proud of what St. Andrew Parish School does to make these things happen.

In today's family envelope is a copy of a proclamation issued by Governor Scott Walker, declaring January 29<sup>th</sup>- February 5<sup>th</sup> 2012 as Catholic Schools Week. It is an honor to have our schools recognized by the state and we should not miss the opportunity to share our story with every one of the great things that are part of the Catholic education at St. Andrew Parish School! Please join in the celebration, and encourage your friends and neighbors to participate also, particularly those who may be considering Catholic education for their children. Also, please join me in saying thank you to our teachers, staff, board members, volunteers, parish members, and everyone else who makes St. Andrew Parish School so great!

Spartan Spectacular continues and it has been exciting so far! I hope you all take the opportunity to cheer on our girls' and boys' teams. The girls next game is Thursday, Jan. at 4:00 and the boys next game is on Saturday at 2:20. Hope to see you there. Go Spartans!!!!

I hope you all have a great week and I look forward to seeing many of you at our upcoming Catholic Schools Week activities and celebration!

Julie Kadrich
